

Facilities Director

The York JCC is looking for a professional, organized, and energetic person to lead its facilities department. This position is responsible for overseeing the custodial duties, repair, renovation, and maintenance of facilities, equipment, and grounds for the York Jewish Community Center.

The ideal candidate will have five plus years directing a facility in the recreation or hospitality field, construction project management, or equivalent work experience. A bachelor's degree in electrical or other engineering field is a plus.

Please submit resumes to Randy Freedman via email at randyf@yorkjcc.org
