Dear Charlie,

Thank you so much for your personal commitment and for the volunteer work that you and your crew recently accomplished at Bethesda Mission through the IFMA. Please extend our sincere appreciation to all of those involved for all of their hard work, time and effort that made these projects successful.

The IFMA accomplished numerous projects at both the Men's Shelter and the Women & Children's Shelter and we have both heard and seen the results of your efforts. Many of our residents have expressed how this labor of love impacted their lives. For many, this is the first time in his or her life that someone has done something out of love, not expecting something in return. This truly demonstrated to them what they learn in class; that true Christian love is unconditional!

Since 1914, Bethesda Mission has been meeting the needs of the poor and homeless. During that time, we have seen seemingly hopeless lives, turned around. We have seen seemingly helpless lives, gather the strength to overcome their bad choices of the past. And we have seen seemingly useless lives, become productive, useful members of society.

God is doing great things in the lives of those who are seeking His help. Thank you, IFMA, for helping us provide improved living conditions and for demonstrating a genuine care and compassion for those we serve. God bless you for your individual efforts during your time at Bethesda Mission.

In His Service,
